Dear Parents/Guardians:

For years Bishop Kearney High School has published a Family Directory that contains the student and family name, address, email address, phone number and the student's grade. Although the directory is given to each family it is not mandatory for your family's information to appear. The information contained in the directory may **not** be used for any commercial purpose.

The email addresses you have provided us during registration will be used for correspondence between the BKPA and our BK Families. These email blasts will keep you updated on what is happening at Bishop Kearney throughout the year. Please be sure we have a valid email address so you do not miss out on anything.

We will include the information based on what you have given the school during registration, in this directory. If there is information you do not want included please let us know below.
