# Bishop Kearney High School 2017 - 2018 Community Service Requirements

All Bishop Kearney students will perform volunteer service in a context in which the recipient(s) of their service is someone (or a group) who is materially poor or whose lifestyle dictates a genuine need for their time and talents.

The Community Service Program at Bishop Kearney stems from the Gospel command to serve others in extreme need. Service work should reflect the Church’s call to perform the *Corporal Works of Mercy*. All students must ensure that they place themselves in volunteer situations where they can fulfill this duty in an ongoing and meaningful manner.

Students **must** complete Community Service hours as follows:
